

Optimists Plan Installation of Officers June 28

New officers of the Torrance Optimist Club will be installed at a dinner-dance meeting at the Palms Saturday night, June 28, it was announced by President Hal Massie yesterday.

To be installed president of the club for the 1958-59 year is Dave Figueredo, member of the club for the past six years and currently serving as its first vice president. Other officers for the year will include Dr. William Davies, first vice president; H. C. "Zeke" Trezise, second vice president, and E. V. Winkelbauer, secretary-treasurer.

Directors will include Clyde

Anderson, Bill Boswell, Les DeMott, Clifford Graybehl and Pete White.

Nearly 40 couples are expected for the dinner-dance event, Massie said.

Among the first duties of the new president will be operation of the club's fireworks booths, an annual project of the local Optimist Club. Proceeds of the project are used in the club's boys' work program.

During the past year the club sponsored the eighth annual Grammar School Relays, attended by several hundred elementary school boys of the city; and has been active in

other youth programs, including support of the Optimist Boys' Home in Highland Park, a major project of Southern California Optimists.

The club meets regularly each Monday evening at the Palms.
